

# Everybody deserves a safe place to work

Alberta's laws for safely passing emergency vehicles and tow trucks are strictly enforced. Speeding fines are doubled.

Ambulance, Police, Fire and  
Tow Trucks in Alberta

# When you encounter a stopped emergency response or tow vehicle with flashing lights

- **SLOW DOWN** to **60 km/hr** or slower if the speed limit is slower.
- Fines for speeding double if you speed through an emergency scene.
- Move over one lane, if possible, and give us room to work.

Give Us Room to Work while responding to, working at, and leaving from an emergency scene.

Everyone deserves to go home safely.
